The image displays three screenshots from a mobile application related to electric vehicle charging. The first screenshot, titled '订单详情' (Order Details), shows a car at a charging station and a table with charging statistics: 0 minutes, 0 kWh, 0 yuan, 0V, 0A, and 0kW. The second screenshot, '充电中订单' (Charging in Progress), details an order for a 14kW dual-charging station with a 10 yuan payment and a '等待充电' (Waiting to charge) status. The third screenshot, '充电订单' (Charging Order), lists two completed orders for the same station, both with 0 yuan payments and '待支付' (Pending payment) status.
